

The Swedish Institute at Athens and  
The Swedish Institute of Classical Studies in Rome  
welcome you to a talk by

**Giacomo Landeschi, Lund University**

*Through the eyes of Romans: integrated  
computational methods for investigating the visuality  
in digitally reconstructed ancient buildings*

The seminar takes place Tuesday April 6, 2021, 17.00h  
(Athens time, 16h Rome time) via Zoom link. To participate,  
please contact [katerina.gabierakis@sia.gr](mailto:katerina.gabierakis@sia.gr) (registration is  
obligatory).

Welcome!
